**From the Desk of the Director**

Wow! I think I speak for all of us at Prairie Ridge of Galena when I say that I am speechless! On June 25th, we opened our doors to the public for a Dusty Shoe Open House. We were able to provide tours to almost 400 individuals and showcase the progress our beautiful building has made to date.

Jessica, Health Care Coordinator, and I have been busy preparing for our opening in August. This includes conducting interviews, arranging for services within the building when it opens, and keeping interested parties up to date on construction and last minute details before their move in date.

This month, we will finish up interviews, extend offers to qualified candidates and begin extensive training with a heavy emphasis on customer service. I cannot wait to build our team and begin providing exemplary hospitality to those who will call Prairie Ridge of Galena "home."

If you have not yet made your reservation for our cruise ship in a cornfield, don't wait until we're ready to set sail! Jessica or myself would be happy to provide a personalized tour at a time that works for you. You can also schedule a meeting with us to have your questions answered and reserve your apartment while they are still available.

If you are a current deposit holder, expect a call from us mid-July to schedule an appointment to finish up paperwork and plan the details of your move in. We can't wait to welcome you home to Prairie Ridge!

The next time you read an edition of the Prairie Ridge Post, our state-of-the art community will be open and our dream will have become a reality. Retire your worries and relax at Prairie Ridge!
