Prairie Ridge has a lot going on behind it's doors! With opening just 2 months away, the progress on the inside and outside continues! Although, our grand opening will be in August, the amount of interest in Prairie Ridge has increased greatly, which is why we have decided to open it up to the public for a behind-the-scenes look. **Our "Dusty Shoe" Open House will be held on Sunday, June 25th between the hours of 1pm-4pm.**

Group tours will be given through out the afternoon and give those interested an opportunity to see what Prairie Ridge living is all about! The tour will include a look at "Main Street", which features our Bistro/Lounge, Art Gallery, and beautiful Dining Room. Visitors will also get to peek at apartment floor plans in independent living and Prairie Ridge's State of the Art Memory Care.

Prairie Ridge will be accepting apartment reservations as well. Each visitor will receive a packet of information that will include the list of all-inclusive amenities, floorplans, pricing and a reservation form.

What are the benefits of reserving your apartment prior to August 1st? You have 1st choice of apartment sizes, views and location! You will also receive the "early bird" special, securing your rate for 1 year. Maybe you enjoy the countryside, the courtyard with beautiful landscaped gardens, the hustle and bustle of the golf course, or the hills of both Illinois and Iowa. Your choice!

If you or a loved one are looking into Prairie Ridge Independent Living and Memory Care Community I encourage you to join us on June 25th. If that date does not work for you, please contact me for a one on one tour!
