OFFICE HOURS:  
Monday—Friday, 9am—5pm

### From the Desk of the Director

Hello, let me introduce myself! My name is Megan Kaiser and I am the Executive Director at the new senior community, Prairie Ridge of Galena and I couldn't be more excited! I am a life-long Galenian with no plans to ever leave this beautiful place I call home. I was lucky enough to meet my husband, Casey in high school and start a family after graduating college. We have one daughter Chloe, who is in kindergarten, Austin who is two, and let's not forget our first baby, Minnie, our 8-year-old pug.

I knew at an early age I wanted to work with the aging population. I attended Western Illinois University, receiving a degree in Community Health Education. After graduating, I worked in sales and marketing for a home care agency and a senior living community. I then went on to become a Licensed Nursing Home Administrator. Now, today I am beyond excited to be a part of this beautiful new project, Prairie Ridge of Galena.

Prairie Ridge of Galena has been 7-year project and is finally coming to life! It is the first of its kind in Jo Daviess County. Prairie Ridge will be a state-of-the-art senior living community providing 50 independent living apartments as well as a secure 14 apartment memory care. This apartment-style living will have a lot to offer active seniors! Some of the amenities include maintenance free living, housekeeping, daily restaurant style dining, outings and trips, exercise programs and much, much more!

As the editor, I encourage you to sign up to receive this monthly newsletter. I will be providing you with all things Prairie Ridge as we move closer to opening in late Spring of 2017. I don't know about you, but I can't wait!

Wishing you a wonderful New Year!

*Megan Kaiser*

Prairie Ridge of Galena offers breathtaking views from its three-story complex in one of the most scenic destinations in Illinois. The craftsman-style building not only embraces the surrounding beauty, its location offers optimal convenience: just minutes from downtown Galena, next to Midwest Medical Center, and across from the Galena Golf Club.

There are over 50 local contractors and construction workers bringing their skills and working hard every day to ensure the project stays on schedule.

Like us on Facebook and follow the progress of the building construction:

Elegantly designed and solidly built with brick and stonework on the exterior.

Expansive views for miles, that's what you'll see out the windows of your brand new apartment at Prairie Ridge of Galena.

As the weather turns cold and snowy the crew is busy framing and hanging dry wall on the interior.

Our entrance will soon welcome many friendly residents who have a passion for living every moment to the fullest!
