From the Desk of the Directory

Prairie Ridge of Galena is not only a new place to live, but also a new and exciting lifestyle for our residents. In addition to being a beautiful building, Prairie Ridge will provide residents a number of life changing amenities, including many social activities.

The events and activities at Prairie Ridge will be catered to the residents. As we get closer to opening we will be staffing an Activities Coordinator to ensure a full calendar of events. Our goal is to make sure residents are staying active and enjoying new and old experiences, whether that is in our Independent Living or Memory Care!

If planned activities aren't of interest to someone, the "Main Street" at Prairie Ridge will be the place to be. On "Main Street" you will find our Bistro Lounge. The lounge includes a bar, multiple TV's, fireplace, comfortable seating area, a mini library, and a walk out patio with a fire pit. The Prairie Ridge Art Gallery is also on "Main Street". The gallery will rotate beautiful artwork from local artists in the area. Keep walking along "Main Street" and you find our large dining room. The dining room will serve restaurant style meals for residents and guests. Prairie Ridge will also have a small sundries room and an activities area along with a large meeting space for larger community meetings or social events.

All of these spaces will be accessible to the residents. If residents want to reserve the space for family functions or other meetings, it comes at no charge and Prairie Ridge Catering can also be arranged!

Making the move to Prairie Ridge will enrich your life by meeting new friends and enjoying the lifestyle you choose!! Just like a cruise ship, you will always find something going on!

I look forward to helping you find your new "home"!

Megan Kaiser

Megan Kaiser, *Executive Director*

(Left Photo) Take a glimpse at the Bistro Lounge. This will be a great spot relax by the fire place with visit with friends!

(Below Photo) Tower rooms are located on each floor with large picture windows and expansive views!

(Above Photo) Apartments are now having counters and carpet installed. The apartments are starting to look more like "home".

(Above Photo) Door frames and doors are being installed in the Memory care. The cherry finish really accents the doorways.

(Above Photo) The 4 seasons room in Memory Care will be a beautiful and comfortable place for residents to enjoy peaceful relaxation during any type of weather.
